FROM : [REDACTED]
Office of the Special Assistant
to the DDO for External Oversight

SUBJECT : Nazi War Criminal Investigation

1. Forwarded herewith are the notes of Messrs. John Tipton and Daniel Stanton of the Government Accounting Office classified SECRET for delivery.

2. It is our understanding that Mr. Tipton will return to complete his review of this material.

3. As discussed on several occasions with the GAO investigators and yourself, GAO expressed its willingness to permit us to review the draft report, when completed by Mr. Tipton, for classified Agency material, prior to its review in draft by the other interested agencies in order to protect any Agency-sensitive material from being reviewed in classified form by others without a "need to know."

4. In view of the Department of Justice's pending investigation and/or litigation involving several of the alleged war criminals, [REDACTED] of OGC met with and discussed the review of the draft report with the GAO investigators as well.
